Headline:
Dry, chilly and mostly cloudy tonight. A little brighter Tuesday.

This Evening and Tonight:
Dry but widely cloudy and chilly overnight with light winds. A few clear spells are possible, giving the risk of a local frost and some fog patches. Minimum temperature -1 deg C (30 deg F).

Tuesday:
Another dry and mostly cloudy day, but a better chance for bright or sunny intervals to develop at times. Feeling rather cold even with light winds. Maximum temperature 6 deg C (43 deg F).

Outlook for Wednesday to Friday:
Wednesday, bright after a widely frosty start. Probably cloudier in the west later. Thursday and Christmas Eve, rather cloudy at times with some rain. Milder. Occasionally stronger coastal winds possible.
